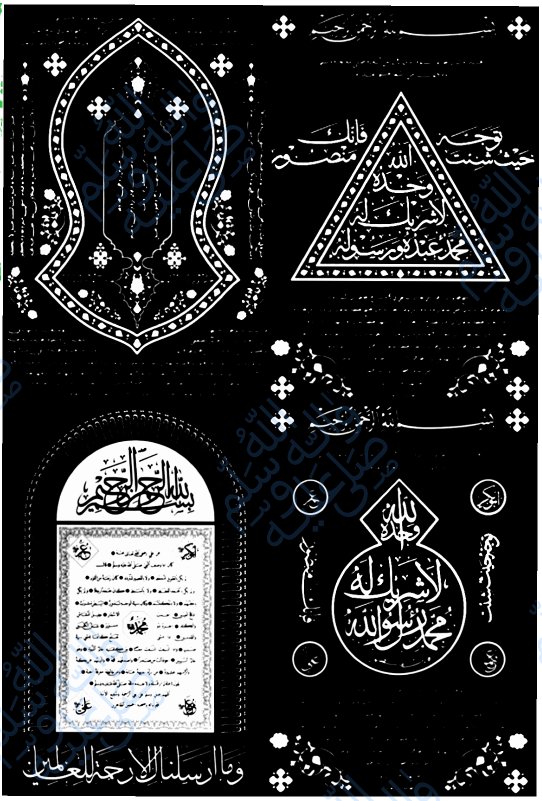
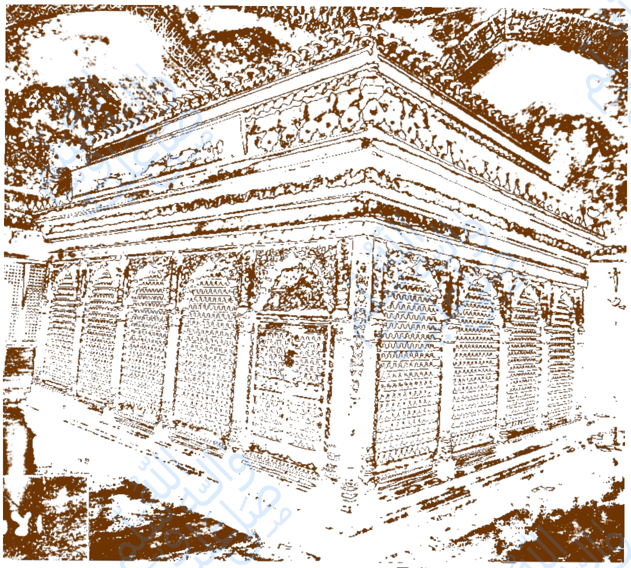
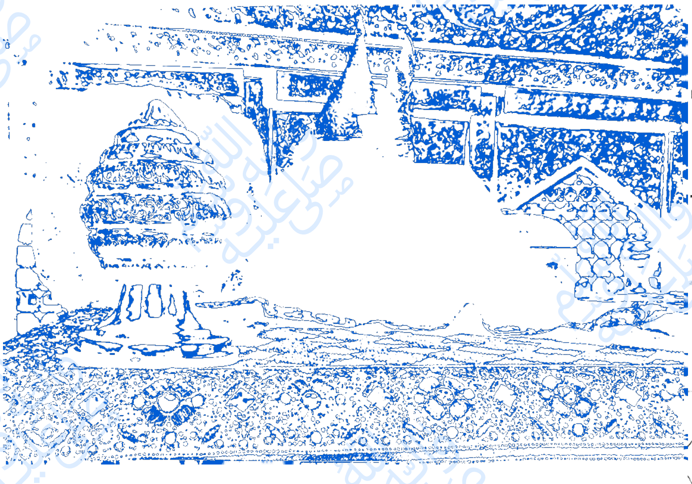
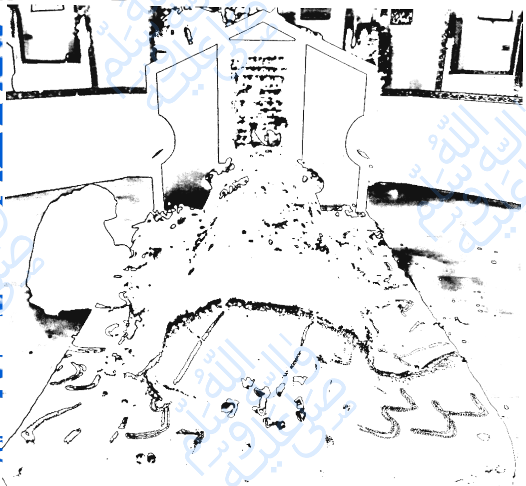
الله جل جلاله محمد صلی اللہ علیہ وسلم









In the Name of Allah, the Most Gracious, the Most Merciful

“Indeed, there has come to you a Messenger from among yourselves; he is concerned for you, and grievous to him is what you suffer; he is eager for you, compassionate and merciful toward the believers.”

I worship Allah, my Lord, and do not associate anything with Him. O Allah, I call upon You by all Your Beautiful Names. There is no deity except You. Glory be to You. Bless Muhammad and the family of Muhammad as You blessed Ibrahim and the family of Ibrahim. Indeed, You are Praiseworthy, Glorious.

“Ya Seen” ﷺ “By the Wise Qur’an” “Indeed, you are among the messengers, on a straight path”

The secret of every prophet and his guidance.

“That is the decree of the Mighty, All-Knowing”

And the essence of every Wali (friend of Allah) and his radiance:

“Peace—a word from a Merciful Lord”

O Allah, bless and grant peace upon our master Muhammad and upon the family of our master Muhammad, with a blessing that saves us from all trials, hardships, terrors, and afflictions, and protects us from all seditions, diseases, calamities, and misfortunes. Purify us from all faults and evil deeds, forgive us all sins, erase from us all mistakes, fulfill for us all our needs, raise us to the highest ranks with You, and grant us the utmost of all goodness in life and after death. O Lord, O Allah, O Answerer of supplications.

O Allah, we seek nearness to You through the Master of the Messengers, the intercessor for the sinners, the Prophet of Mercy, the intercessor for the Ummah. O Allah, by his status in Your presence and his value with You, we ask You for triumph in judgment, martyrdom, the life of the blissful, victory over enemies, and companionship with the Prophets. And we are Your weak servants; we worship none but You, and when hardship afflicts us, we call upon none but You. So grant us security in our fears, answer our prayers, fulfill our needs, forgive our sins, and conceal our faults — O Most Merciful, Most Generous, Most Forbearing. And have mercy on

us, for You are capable of all things, and worthy of answering. What a blessed Master and Helper You are.

O Allah, O the Mighty, O the Forbearing, O the All-Knowing, O the Wise, O the Reliever of distress, relieve our distress and our anxiety, and forgive our debts. Grant us from Your vast mercy, for we are Your servants, and we are among Your soldiers, clinging to the sanctity of Your Prophet, seeking intercession through Your Beloved.

O Allah, show us Your sacred sanctuary with Your generosity, and grant us the privilege to visit the grave of Your Prophet Muhammad ﷺ We ask You to bless us with a vision of the face of our Prophet ﷺ in our dreams and in our wakefulness, and to send upon him continuous blessings until the Day of Judgment.

And bless the best of us, and make all our affairs easy for us. So send blessings and peace upon him with blessings befitting his noble station and lofty rank, and grant him a perpetual, ancient, generous, and honored greeting of peace.

“So believe in Allah and His Messenger, the unlettered Prophet, who believes in Allah and His words, and follow him, that you may be rightly guided”

O Lord of the worlds, O Most Merciful of the merciful! And may Allah’s blessings be upon our master and our Prophet Muḥammad, the Seal of the Prophets and the Leader of the Messengers, and may He be pleased with his family and all his companions.

“Glorified is your Lord, the Lord of Might, above what they describe” “And peace be upon the Messengers” “And all praise belongs to Allah, the Lord of the worlds”

O Allah, bless and grant peace upon our master and prophet Muhammad, the light of Your brilliance, the glory of Your splendour, the secret of the Torah of Musa and the Gospel of ‘Isa (peace be upon them all), and upon all of them. And the talisman of the Atlas heavens, in the wombs of

“*I was a hidden treasure, so I loved to be known*”

and the sacred throne of the kingdom, in the manifestation of

“*I created a creation, so I made Myself known to them; by Me they recognize Me*”

He is the comfort of the eye of certainty, the mirror of the resolute Messengers, unto the witnessing of the Sovereign, the True, the Manifest. He is the light of the lights of the vision of the honored Prophets, the locus of Your gaze and the vastness of Your mercy among the worlds of the first and the last. May Allah’s blessings be upon him, upon his brothers among the Prophets and Messengers, upon his pure and noble family and companions, and upon the saints, the righteous, the martyrs, the truthful, and the near angels. O Allah, we seek to You the all-encompassing letter that gathers the meanings of Your perfection.

We ask You, by You, through You, to show us the face of our Prophet ﷺ in our dreams, our wakefulness, our states, and our ultimate end. Unite us with his lineage, realise us in his nobility, and join us with him.

Erase from us the existence of our sins through the vision of Your Beauty, and immerse us in the oceans of Your lights, protected from worldly distractions, drawn to You, absent in You. O He, O Allah. O He, O Allah. O He, O Allah. There is no god but You. Give us to drink from the wine of Your love, and plunge us into the oceans of Your Oneness, until we roam in the spaciousness of Your Presence, and You cut off from us the illusions of creation, by Your grace and mercy. Illuminate us with the light of Your obedience. Guide us, and do not misguide us. Make us see our own faults and blind us to the faults of others, by the sanctity of our Prophet and our master Muhammad ﷺ, and upon his family and companions, the lamps of existence and the people of witnessing, by Him who bears witness and the Witnessed. O Most Merciful of the merciful, we ask You to join us with them, and to grant us a share in their love. O Allah, O Living, O Self-Subsisting, O Lord of Majesty and Generosity:

“Our Lord, accept from us; indeed, You are the All-Hearing, the All-Knowing. And turn to us in mercy; indeed, You are the Oft-Returning, the Merciful.”

O Allah, send blessings and peace upon our master Muhammad— a prayer by which our provisions are expanded, our longings are deepened, our deeds are purified, our sins are forgiven, and our thoughts are cleansed.

O Allah, grant and bestow upon us beneficial knowledge. Truly, You have power over all things, O Lord of the worlds, O Merciful, O Compassionate.

"We ask You to grant us the vision of the face of our Prophet ﷺ in our dreams, our wakefulness, our states, and our end. Unite us with his lineage, realise us in his nobility, and join us with him."

And may You send perpetual blessings and peace upon him until the Day of Judgment. And may You send blessings upon the best of us, and be for us, O Allah.

O Allah, bless and grant peace upon our master Muhammad with a prayer that increases our provisions, expands our desires, purifies our deeds, forgives our sins, and elevates our thoughts.

O Allah, grant us beneficial knowledge; indeed, You are capable of all things. Strengthen our beliefs with beautiful hope, true certainty, and the truth of empowerment. Steer our states toward success, happiness, and the best certainty. Strengthen our principles on the straight path, and fortify our foundations on the firm satisfaction and steadfast honor.

O Allah, bless and grant peace upon our master Muhammad and the family of our master Muhammad, whose human realm is left, the kingdom is his right, the mighty is his heart, the divine is his spirit, and the imagination and state are his.

O Allah, make us steadfast and grant us realisation through the realisation of the human Shari‘ah, the celestial path, the mighty truth, divine knowledge, and the oneness of the ultimate reality.

O Allah, we seek refuge in Your Might, Your Glory, Your Power, and Your Authority; by the love of Your Prophet Muhammad ﷺ, protect us from separation, misguidance, and misled desires.

O Supporter of those who flee to You, O Neighbour of those seeking shelter, safeguard us from the disturbances of our souls, preserve us from Satanic temptations, purify us from human impurities, and refine us with the clarity, sincerity, and friendship of true love. Free us from heedlessness, from the illusion of ignorance, and from uncleanliness, so that our ego and self-entered desires may vanish. Align our human nature with Your presence, in the company of divine gathering and emptiness, adorned with divinity, witnessing the manifestations of the One Essence, the realities of the Divine Attributes, and the unveiling of the eternal truths. In this witnessing of Divine Oneness, where there is no "where," no "how," and no "when," everything remains for Allah, by Allah, from Allah, to Allah, and with Allah.

O Allah, occupy us with Yourself alone, and grant us a gift in which there is no room for anyone else. Make it expansive with divine knowledge, noble attributes, Muhammad's moral qualities, and strengthen our faith with beautiful hope, firm certainty, and true empowerment. Guide our states and actions toward the path of success, happiness, and the highest certainty.

Strengthen our beliefs on the straight path, and fix our foundations firmly on noble satisfaction and honourable dignity. Build our spiritual objectives on the highest summits of glory and among the resolute messengers endowed with divine power. O Caller to those in need, O Helper of those seeking aid, rescue us with Your mercies from the distance of spiritual neglect. Surround us with Your care in the trials of love. Support us with the light of Your guidance, and grant us victory through Your mighty power, reinforced by the Glorious Qur’an and Your immense mercy.

O Allah, let us enter Your presence along with him ﷺ through his intercession, his guarantee, and his guardianship, together with his family and companions, into Your abode, the abode of peace:

“In a seat of truth before a Mighty and Powerful King”

O Possessor of Majesty and Honor, Grant us the vision of him ﷺ in the subtlety of his spiritual states O Generous, O Merciful, honor us with gazing upon the radiant beauty of Your face, “My Lord, show me, let me behold You”

let us see Your Face and the manifestations of Your Beauty. Protect us through his ﷺ sanctity with reverence, veneration, and exaltation, and honor us with his manifestation in a dwelling of forgiveness and mercy, in the Garden of Divine Pleasure. Grant us the keys to the hidden treasures, the repositories of secret knowledge, the illumination of the meanings of Your Names, and the lights of Your Essence.

"Peace—a word from a Merciful Lord"

By the compassionate grace of Muhammad ﷺ, through Your favor O Lord, this is the supreme success. You have prepared hidden rewards for those devoted to him; no soul knows what is hidden for them as recompense for their deeds. Their invocation is peace, and their greeting is peace, and the last of their invocation is:

"All praise is due to Allah, Lord of the worlds"
